

## REDUCE SELF-PAY DEBT WITH FIRST PARTY®

### STEP 1

#### IDENTIFY YOUR NEEDS

PFC's first step to lowering your self-pay costs is identifying the challenges your hospital, outpatient center or small practice is faced with and determining the course of action required to control your self-pay receivables. Our program will allow you to focus on the responsibilities that are essential to your institution.

### STEP 2

#### SEAMLESS INTEGRATION

PFC Integrates with your in-house Patient Accounting System and is an extension of your business office.

### STEP 3

#### PERFORMANCE FROM PFC SELF-PAY SOLUTIONS

- Pre-charge off accounts receivable program
- Accelerated cash collections
- Lower bad debt expense
- Reduced days in accounts Receivable
- A patient sensitive environment
- Experienced patient account representatives
- Increased patient satisfaction
